GIS / Socioeconomic Analyst - The Mid-Region Council of Governments seeks a full-time staff member to join the Metropolitan Planning Organization (MPO) as an entry to mid-level GIS / Socioeconomic analyst.

Responsibilities:

Duties include data collection, analysis, reporting and visualization. Creating, editing, updating, and maintaining critical datasets related to population, housing, land use, the economy, and transportation. Keeping up-to-date on data sources, releases, methods and best practices. Promoting inter-agency collaboration and innovation in support of the public transportation planning process.

The ideal candidate will bring experience related to desktop geographic information systems (GIS) such as ArcMap, ArcGIS Pro and / or QGIS, experience working with tabular data in Excel, and a willingness to work independently to learn, problem-solve, and innovate. Preference will be given to candidates who have worked with census or demographic data, have data presentation skills, graphic design, and experience with SQL databases, including Microsoft Access or ArcGIS enterprise.

Qualifications:

Qualifications include a Bachelor's degree in planning, geography, economics, mathematics or a related field. Master's Degree (preferred) or at least two (2) years of professional experience performing quantitative analysis is desirable. Salary commensurate with experience.

How to Apply:

Apply with cover letter and resume submitted to HR Manager, Mid-Region Council of Governments, 809 Copper Avenue NW, Albuquerque, NM 87102, no later than 5:00 pm on Tuesday, May 3rd, 2022. Employment pending successful background check. MRCOG is an equal opportunity and affirmative action employer.
