 Role: UNM PI, K. Maria D. Lane
 Council of Graduate Schools
 2024-2027 (sub-award: \$45,000)
- Collaborative Research: NSF INCLUDES Alliance: Latinx Pathways to STEM Advanced Degree Attainment (PASADA)
 Role: UNM PI, K. Maria D. Lane
 National Science Foundation, Subaward under UC Santa Barbara (PI: Walker)
 7/2024-6/2029 (direct cost \$546,465 ; indirect cost \$253,201)
Submitted 10/2023
- *Teaching Allocation Grant: Community Engaged Learning for Environmental Justice
 Role: PI, Maria Lane, with Co-PI Silas Grant
 Teaching Allocation Committee, University of New Mexico
 2024 (\$5,000)
- *Graduate Research Fellowship Program (GRFP)
 Principal Investigator, K. Maria D. Lane (took over PI duties as of 8/2023)
 National Science Foundation
 9/2019-8/2024 (direct cost \$3,364,382)
 Award No. 003762-00001A
- South Valley Community Mapping
 Principal Investigator: K. Maria D. Lane
 Center for Regional Studies
 8/2023-7/2024 (\$30,000, not funded)
- Explorations in Digital Preservation
 Principal Investigator: Bethany Tabor, New Mexico Humanities Council
 Role: PI for Subaward, K. Maria D. Lane
 National Endowment for Humanities, program for “Dangers and Opportunities of Technology: Perspectives from the Humanities”
 2023-2024 academic year (\$44,177 subaward, not funded)

Community Mapping in Albuquerque's South Valley: Pedagogy, Engagement, and Transformation

Principal Investigator: K. Maria D. Lane
McCune Foundation
5/2023-4/2024 (\$25,000, not funded)

*Proposal for Development of a Faculty-Led Study Abroad Course: Community Governance and Environmental Politics

Principal Investigator: Jami Nuñez
Role: Co-PI, K. Maria D. Lane
University of New Mexico
Study-Abroad Allocations Committee
Summer 2023 (\$3,500)

*Writing Subvention Award: Fluid Geographies, University of Chicago Press.

Principal Investigator: K. Maria D. Lane
UNM College of Arts & Sciences Office of Research
9/2022 (\$2,500)

*Student Experience in Geovisualiation of Historical Data on Native Trails

Principal Investigators: K. Maria D. Lane, Samuel Truett
U.S. Department of Interior, National Park Service, CP-CESU
Task Agreement P22AC00537, 8/2022-7/2024 (\$172,733)

*Integrating Big Data with Individual-Level Data to Improve Modeling and Prediction of Rocky Mountain Spotted Fever Dynamics in Native American Communities

Principal Investigator: Yan Lin
Role: Co-PI, K. Maria D. Lane
National Science Foundation, Supplement under OIA-2019609 (PI: Ma)
1/2022-8/2024 (direct cost \$259,163; indirect cost \$128,695)

*Efectos del cambio climático en el uso, acceso y distribución del agua: respuestas de las poblaciones rurales del Distrito Metropolitano de Quito

Principal Investigator: Natali Cáceres-Arteaga, Universidad Central de Ecuador
Role: Co-Investigator, K. Maria D. Lane
Other Co-Investigators: Jesús Tapia López, Universidad Central de Ecuador
Universidad Central de Ecuador, Dirección General de Investigación y Posgrado
May 2020 – April 2021 (\$3,000, awarded March 2020)

*Place-Based Reparative Environmental Histories Symposium

Principal Investigator: Kirsten Greer, Geography, Nipissing University
Role: Co-Investigator, K. Maria D. Lane
Other Co-Investigators: Arn M. Keeling (Memorial University of Newfoundland), Aylan N. Coushie (Nipissing University), Deborah A. McGregor (York University), Katie M. Hemsworth (Nipissing University), Nancy E. Langston (Michigan Technical University), Randy T. Restoule (Nipissing University), William C. Knight (Ingenium)
Social Science and Humanities Research Council
Spring 2020 (CAN\$25,000, awarded July 2019)

Multispecies Futures Grand Challenge Initiative

Key Team Member for cross-college team (PI: Subhankar Bannerjee, Art & Ecology)
Spring 2019 (\$70,000, not funded)

Spatial Humanities + Digital Mapping Initiative

Principal Investigators: Fred Gibbs, Jeff Erbig (UNM Dept of History)
Senior Personnel: K. Maria D. Lane, Karl Benedict (OILS), Melissa Bokovoy (History)

- National Endowment for the Humanities
January 2017– August 2018 (\$110,133, not funded)
- *Student Experience in National Trails GIS Development Activities
Principal Investigator: K. Maria D. Lane
U.S. Department of Interior, National Park Service, CP-CESU
Task Agreement No. P16AC01127/UNM-131, 7/2016-4/2018 (\$25,383)
- Creation of a Graduate Research Commons
PIs: K. Maria D. Lane, Chris Lippitt; Students: Alissa Healy, Will Brewer, Sagert Sheets
GPSA Graduate Laboratory Competition
December 2015 (\$100,450 not funded)
- *Re-Imagining the Islands: Environmental Change in the Florida Keys
Principal Investigator: K. Maria D. Lane
UNM Research Allocation Committee
December 2015 – May 2017 (\$8,382)
- *GA Funding: Student Experience in National Trails GIS Development Activities
Principal Investigator: K. Maria D. Lane
U.S. Department of Interior, National Park Service
Task Agreement No. P15AC01641/UNM-119, 9/2015-9/2016 (\$25,098)

University of New Mexico
Study-Abroad Allocations Committee
Summer 2013 (\$4,000)
- *Emerging Landscapes, Evolving Priorities: Assessing the Intersections between Land Cover Change and the Management of Introduced Species and Habitats on the Turner Ranches in Southern New Mexico
Principal Investigator: K. Maria D. Lane, PI, with Chris D. Lippitt, Co-PI
University of New Mexico, College of Arts & Sciences
Seed Grant Program, Turner Ranches Initiative
July 2012 – June 2013 (\$10,000)
- *Research Experience for Undergraduates: Creation of a Historical GIS to supplement the Intersections of Authority project
Principal Investigator: K. Maria D. Lane
National Science Foundation, REU Supplemental Grant
Funded jointly by Science & Technology Studies, Geography & Spatial Science
Award No. 1052903, September 2010 – May 2011 (\$7,090)

*Intersections of Authority: Science, Law and the Management of Water Resources in New Mexico's Rio Grande Valley

Principal Investigator: K. Maria D. Lane

National Science Foundation, Science and Society Program, Standard Research Grant Award No. 0750115, June 2008 – May 2011 (\$132,412)

*Imaginative Geographies of Mars

Principal Investigator: K. Maria D. Lane

UNM Research Allocation Committee, Small Grant-in-Aid for Research (Travel)

December 2007-September 2008 (\$2,491)

Science, Law and the Management of Water Resources in New Mexico's Rio Grande Valley

Principal Investigator: K. Maria D. Lane

National Endowment for the Humanities, Summer Stipend

Submitted September 2007 (\$6,000, not funded)

Intersections of Authority: Science, Law and the Management of Water Resources in New Mexico's Rio Grande Valley

Principal Investigator: K. Maria D. Lane

National Science Foundation, Science and Society Program, Postdoctoral Fellowship

Submitted February 2007 (\$83,968, not funded)

*Geographies of Mars: Science, Site and Sensation

Principal Investigator: K. Maria D. Lane

AAUW Educational Foundation, American Fellowship for Short-Term Publication

July 2007-August 2007 (\$6,000)

*Appropriating Space: Geographical Representations of the Planet Mars, 1877-1910

Principal Investigator: K. Maria D. Lane

American Historical Association, Beveridge Research Grant for Dissertation Travel

July 2005 (\$600)

Appropriating Space: Geographic Representations of the Planet Mars, 1867-1916

Principal Investigator: K. Maria D. Lane

Society of Women Geographers, Pruitt National Fellowship for Dissertation Research

Submitted December 2003 (\$14,750, not funded)

*Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane

Council on Library and Information Resources, Mellon Fellowship for Dissertation

Research in the Humanities in Original Sources

August 2003 – July 2004 (\$20,000)

*Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane

University of Texas at Austin, Bruton Fellowship for dissertation research

August 2003 – July 2004, (\$1,000 plus full graduate tuition)

*Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane

University Co-op Society (Austin, TX), Mitchell Fellowship for dissertation research

August 2003 – July 2004 (\$1,000)

*Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane

University of Texas Department of Geography, Veselka Endowed Fellowship for travel

July 2003 (\$3,000)

Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane
NASA/American Historical Association, Fellowship in Aerospace History
Submitted March 2003 (\$20,000, not funded)

Appropriating Space: Geographical Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane
National Science Foundation, Doctoral Dissertation Research Improvement Grant
Submitted January 2003 (\$11,967 not funded)

Geographic Representations of the Planet Mars, 1867-1907

Principal Investigator: K. Maria D. Lane
American Association of University Women – Austin Branch Fellowship
Submitted March 2003 (\$2,000, not funded)

Geographic Representations of the Planet Mars, 1867-1907
